

# Start “Popping Your Tops” and Help Our Families!

*You can make a difference by saving aluminum pull tabs! After the Pull tabs are donated we bring them to a local recycler **Niagara Metals**, where they are weighted to determine their value. **Niagara Metals** then sends us a check along with their donation. The money helps purchases household items for the Ronald McDonald House in Buffalo and our Families.*

The Ronald McDonald House Charities of Western New York Pull Tab Program is a perfect way for families, businesses, schools, service organizations and clubs to help the over 600 families that annually stay at the Ronald McDonald House in Buffalo while their child is hospitalized or being treated at area hospitals and treatment centers.

## HERE’S HOW YOU CAN HELP!

- Save the pull tabs from your favorite beverage cans!
- Ask for one of our “eye catching” collection Houses to advertise your pull tab drive. Call us @ 716-883-1177 or email [lhughes@rmhcwny.org](mailto:lhughes@rmhcwny.org)
- When you are ready, bring your pull tabs to the Ronald McDonald House of Buffalo Mon.-Fri. 9am-7pm. Weekends are by prior arrangement only.

## Volunteers

We have dedicated volunteers that will take the pull tabs to a local recycling partner where the tabs are weighed. We then receive a check for the aluminum that’s been recycled. The best part is that our local recycling partner, “**Niagara Metals**” matches the donation value of your pull tabs. **So your donation is doubled through the generosity of our local partner!!!**

Free, “Eye Catching” Pull Tab Collection Houses are available from us. These specially designed Ronald McDonald House of Buffalo collection houses are a generous donation from **Jamestown Container Companies**.
