

We would like to express our sincere appreciation to all of our generous donors who demonstrated their friendship and value our mission of keeping the families of seriously ill children together and close to the care they need. This Report reflects all contributions received between January 1<sup>st</sup> and December 31<sup>st</sup>, 2017. Should there be any omissions or error, please call my office at (716) 883-1177. You have repeatedly played a key role in our success and make a real difference in the lives of the families we serve. We are continually inspired by your dedication. Your enduring generosity makes our families day and it means the world to us!

With heartfelt gratitude,
