RMHC of WNY: WHO WE ARE...

The organization behind the Golf Tournament

Ronald McDonald House Charities of WNY, Inc. (RMHC of WNY) is part of a global network of Ronald McDonald Houses and programs that serve nearly 6 million children and families annually in more than 64 countries across the globe since 1974.

Our Chapter's Ronald McDonald House was established in 1983 and has served more than 24,411 families since its inception. Our Ronald McDonald House Family Room in John R. Oishei Children's Hospital (2017) received more than 10,712 visits in 2023, and Ronald McDonald Hospitality Carts at John R. Oishei Children's Hospital (2019) and in the Mother/Baby and NICU at Sisters of Charity Hospital (June 2023) collectively made more than 15,503 bedside visits in 2023.

OUR MISSION

The mission of RMHC of WNY is to create and support programs that directly improve the health and well-being of children and their families. The programs and services offered keep families with sick/injured children together and near the care and resources they need.

OUR VISION

We believe that when you change a child's life, you change a family's, which can change a community, and ultimately the world. We strive to be part of that change and part of the solution in improving the lives of children and their families by providing programs that strengthen families during their medical journey.
